CAREER OBJECTIVE

Motivated and detail-oriented Computer Science graduate with a strong foundation in programming and web development. Proficient in **Java**, **Python**, **HTML**, **CSS**, **JavaScript**, and **MySQL**, with a solid understanding of the Software Development Life Cycle (SDLC). Adept at problem-solving, teamwork, and learning new technologies quickly. Seeking to kickstart a career as a software developer in a progressive organization, leveraging technical skills to contribute to impactful projects that foster both personal and organizational growth.

EDUCATION

BTech in CS | Prestige Institute of Management & Research, Bhopal (Pursuing)

2021 - 2025 June

Intermediate | B Children Valley School, Baliya | 67% | Mar 2019 - 2021 July

Secondary | New Central Academy, Baliya | 73% | May 2019

WORK PROJECT

Food Ordering Website | Python, HTML, CSS (Tailwind)

April 2024

- Developed a dynamic e-commerce application with a shopping cart to handle user interactions efficiently.
- Implemented features like product filtering, quantity adjustments, and order calculations using Python to manage product data and ensure seamless functionality.
- Designed a responsive and visually appealing user interface using Tailwind CSS, making it compatible across devices.
- Improved user experience by optimizing navigation, providing real-time updates, and ensuring efficient data handling.

EXPERIENCE

INTEGRATION IT SERVICES PVT. LTD | MERN Full Stack Internship | Bhopal, India

Completed a 3-month internship focused on **MERN full-stack development**, which provided hands-on experience in building scalable and maintainable web applications. Worked on diverse projects tackling real-world challenges across various industries.

- **Technologies**

Gained practical knowledge and experience with **JavaScript**, **MongoDB**, **Express.js**, **React.js**, and **Tailwind CSS**. These technologies were extensively used in the projects to create dynamic and responsive web applications.

CodeBench IT Solutions Pvt. Ltd. | Web Development | Aug 2024 – Sep 2024

This internship was designed to provide valuable educational experience, focusing on skill development and gaining practical knowledge in web development.

- **Technologies**

During my 1.5-month internship as a Web Development intern, gained hands-on experience with **HTML**, **CSS**, **JavaScript**, and **Python**, along with working with the **Django** framework to build dynamic and responsive web applications.

SKILLS

- **Programming Languages:** C++, Java, Python, JavaScript, HTML, CSS
- **Developer Tools:** VS Code, Eclipse
- **AI Tools:** ChatGPT, Gama, Canva, Gemini
- **Technologies/Frameworks:** GitHub, Tailwind CSS, MySQL, Django
- **Other Skills:** MS Excel, MS PowerPoint
- **Soft Skills:** Logical Thinking, Problem Solving, Good Communication, Team Collaboration

CERTIFICATION

- Core Java, Integrated IT Services
- Amazon Web Services (AWS) - Amazon
- TCS (Yep) - TCS
- Commercial and Industrial Security Corporation - CISCO
